Take a Look Inside the New MandiCasa Los Angeles Flagship Showroom

*Modern designs that blend elegance and functionality.
Made in Italy for luxury American homes.*

MandiCasa's Los Angeles showroom enjoys a street-front location on Robertson Boulevard, at the heart of the West Hollywood Design District.

THE PRODUCTS

The showroom presents products from MandiCasa's collection curated by Dario Snaidero:

The kitchen displays feature some of MandiCasa's innovative finishes:

- Bronze Lux liquid metal lacquer (an industry exclusive);
- Ambra metallic lacquer (a satined finish that gives depth and nuance to the cabinets);
- UV X-wood (soft to the touch and more resistant to scratches and chemical agents than traditional wood finishes).
