ENHANCING LIVES THROUGH DESIGN

## Dario Snaidero Is Proud To Announce the MandiCasa Miami Flagship Showroom Is Now Open!

*Modern luxury, Made in Italy for the finest Floridian homes*

MandiCasa's Miami flagship showroom enjoys a street-front corner location on Ponce de Leon Boulevard in Coral Gables.

### THE PRODUCTS

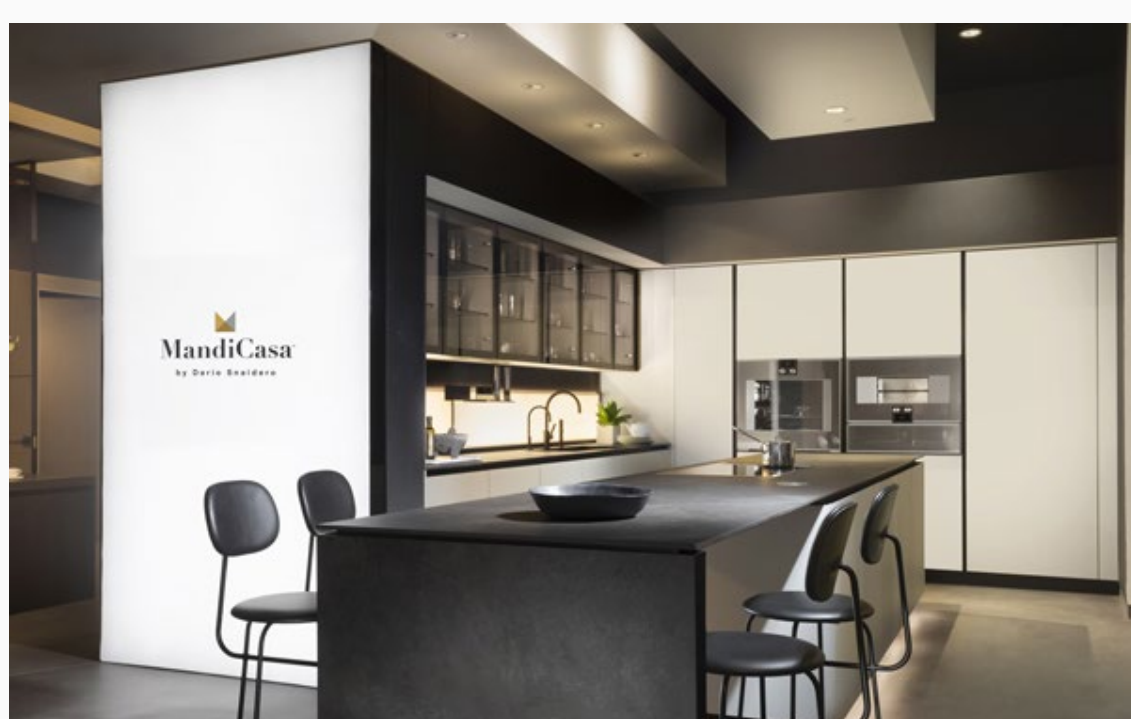

The showroom features luxury [kitchens](#) and [closet systems](#) from MandiCasa's curated collection, which also includes [bathrooms](#) and [interior doors](#) in glass, metal framed glass, and wood (all available through the showroom as well).

All products are 100% made in Italy by premium manufacturers selected by Dario Snaidero and offer an incredible variety of possibilities for customization, from finishes to storage solutions.

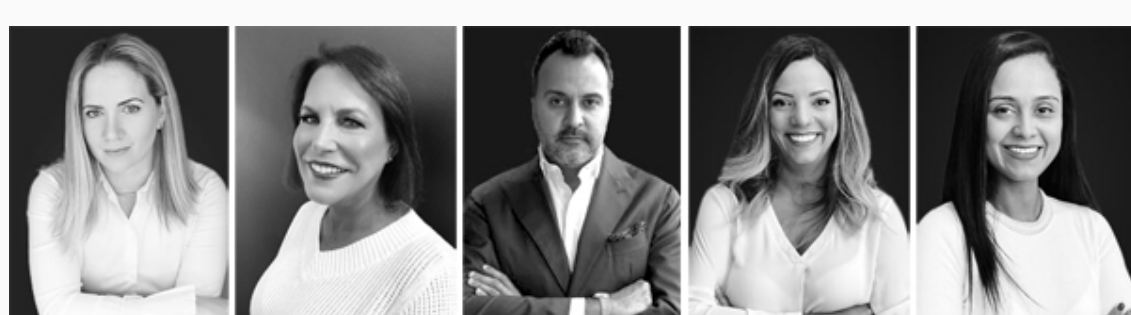

The kitchen displays introduce our clients to some of MandiCasa's innovative finishes:

- Bronze Lux liquid metal lacquer (an industry exclusive, the result of pioneering research on the use of metal pigment for cabinetry);
- Ambra metallic lacquer (a satined finish that gives depth and nuance to the cabinets);
- X-Duna oak (soft to the touch and more resistant to scratches and chemical agents than traditional wood finishes).

Our design team combine over 40 years of experience in the industry. They are at your service to help you explore all the available styles, finishes, and personalization options to elevate your home to new levels of elegance and functionality.
